## Record Vote Tuesday Foreseen

### Village Board Approves Swimming Pool Site at Williams Park

#### Corp. Attorney Told to Solve Legal Details

#### Lions Club Committee Asks North Park Location At Meeting

The village board in special session Tuesday evening gave its approval to the plan of placing the proposed public swimming pool promoted by the Lions club in Williams park owned by the village.

To Chairman Dr. G. W. Jensen and Village Atty. Edward Jacobs was left the mechanics of drawing up any resolution that might be called for in the matter, and they are expected to meet tomorrow evening to discuss procedures.

The Lions club swimming pool committee comprising Dr. Jensen, Edward Kugle, co-chairmen; Norman Jedele, R. W. Lindblad, William Brook and Atty. Ted Larson, appeared before the board, with Dr. Jensen explaining the desires of the club for the location.

The committee thought the best place for the pool in the park which lies east of Main st. and north of Williams st. would be in the north portion. It could be reached through a road running south and east of the Scout House.

Already a considerable amount of purchases of stock in the proposed corporation has been pledged and the necessary amount to finance the construction of the pool seems assured.

#### Consultant to Speak

Chauncey A. Hyatt, a consultant on swimming pools will be at the Antioch Scout House next Wednesday, April 6 to talk on swimming pool construction, location and types. He will show pictures to illustrate his information.

The meeting will be public and those who are bringing Mr. Hyatt here from Chicago are anxious that everyone who can possibly do so attend this meeting. The meeting will start promptly at 7:45 p. m.

#### Salem Resident Buys Klass Men's Store; Skalak to be Manager

Lawrence Olsen of Salem, Wis., announced the purchase of The Klass Men's Store, 921 Main st., Antioch from R. C. Visk of Evanston.

At the same time he announced that his brother-in-law, John Skalak will serve as manager. Skalak has been a clerk in the store for the last four years and he and Mrs. Skalak reside above the store.

Visk purchased the store five years ago from Otto Klass who still owns the building, and retained the store's name. He is retiring from business and when it became known the store was for sale Olsen, a Salem farmer, purchased it to permit Skalak to carry on the business with which he has now become familiar. He plans, however, to modernize the store, giving better display to the well-known and popular brands of men's wear.

Mrs. Olsen, wife of the new owner, was formerly Dorothy Skalak, and at one time was employed at the Reeves Drug store.

#### Palm Sunday To Be Observed In Antioch

Palm Sunday will be observed at Antioch churches Sunday with special rites and sermons. Palms will be given out in some churches.

During the week leading up to Easter there will be special services with the hours of noon to 3 p. m. being observed on Good Friday.

The approaching week is one of the high points of the year in Christianity and services attract large crowds.

#### Antioch Band Elects Officers and Plans Public Spring Concert

The Antioch Community Band elected officers for the ensuing year Tuesday evening, and started making plans for a spring concert.

W. V. Lahti was elected president; William Dow, vice president; Lenore McCord, secretary; and Joan Cervinka, treasurer.

Paul Zeien was elected director for one year; John Hammond, for two years; and Howard Gaston for three years.

Under the direction of Bandmaster Louis Chenette the band has made much progress this winter. A number of new members have been added and the group has become quite enthusiastic in its work. A much better musical organization will be presented this summer to the public.

#### Cancer Crusade Opens in Antioch Township With \$675 as Goal

"Volunteers taking part in the American Cancer Society's 1955 educational and fund-raising crusade during the month of April have two jobs to do," Mrs. Robert Berg, ACS chairman for Antioch said today.

"One job is collecting money," she explained, "but these volunteers also are helping to carry out the Society's year-round campaign of education about cancer control. With informative literature and with verbal answers to questions that keep coming up, they are driving home a message all-important to the future health of every person in Antioch."

Through such volunteers, people all over the country are learning the facts about cancer control. They are learning that in countless cases, cancer is curable; that it must be treated early; that it does not cure itself, but must be treated properly by X-ray, radium or surgery.

"Cancer is not a disgrace, and no one should be ashamed to seek help for it, the volunteers in the campaign here emphasize in their talks with people all over Antioch. They point out, too, that cancer is neither contagious nor inherited; that pain is seldom an early symptom, but that most cancers give an early warning in other ways, and notably by seven particular signals."

Antioch's quota in the present drive for funds is \$675.00, which was set as its share of the Lake County goal of \$36,500.

"All such money goes to support the ACS three-part program," Mrs. Berg said, "a program that embraces research to discover new and more effective methods for curing cancer, service to patients, and professional and public education. Sixty per cent of what is collected in Illinois remains in the state to finance the state and community programs of cancer control."

#### Dr. R. M. Rodriguez New M. D. in Antioch

Dr. R. M. Rodriguez is now associated with Mr. A. N. Berke in the practice of medicine.

Dr. Rodriguez, a general practitioner, served his internship in Troy, New York, and his residency at Robinson Memorial hospital at Ravenna, O.

He has applied for staff membership at both Victory Memorial and St. Therese hospitals in Waukegan. His office phone number will be 28-J and his home phone number 975.

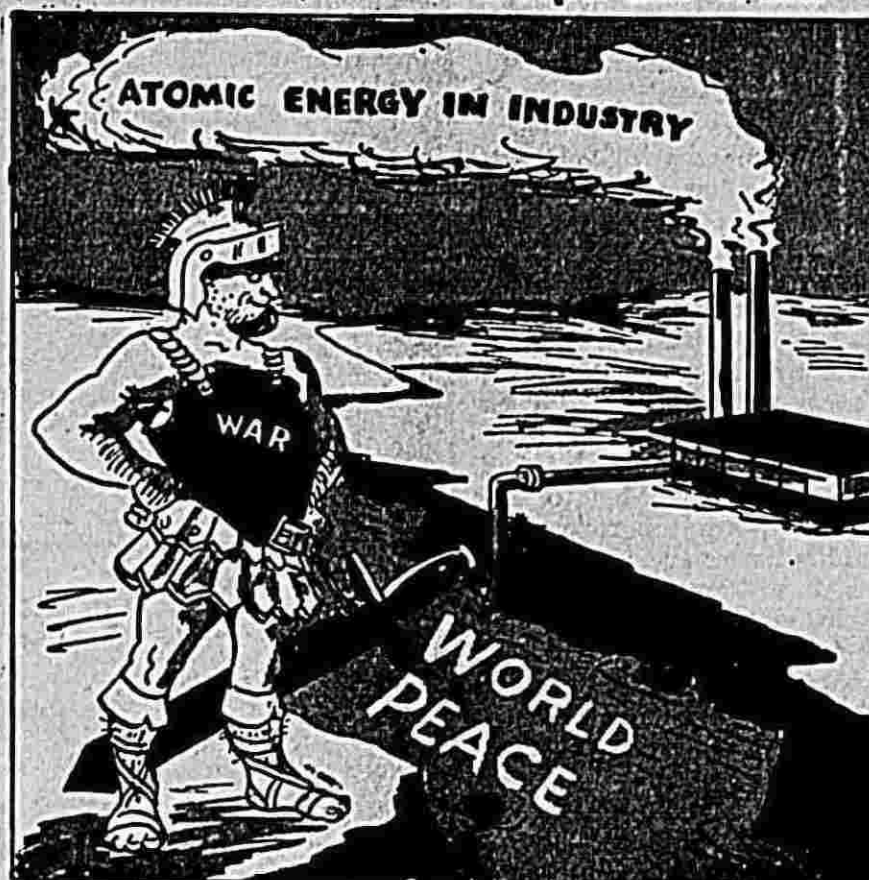

#### Hospital Notes

Harold Cardiff, proprietor of Cardiff's restaurant went to Victory Memorial hospital Friday for treatment for a heart ailment.

Supt. Richard Whitacre, who went to St. Therese hospital last Wednesday for observation, underwent surgery on Monday of this week. He is said to be making satisfactory improvement.

Arriving home from Milwaukee-Dowder College for the spring vacation, April 1 to 11, will be Roberta Jach, daughter of Mr. and Mrs. Fred Jach, Rte. 2.

#### The Water Should be Deeper and Wider

#### District Band, Chorus, Orchestra Contest to Attract 600 Students Here Saturday

#### Channel Lake School District Will Vote on \$60,000 Bond Issue

Residents of the Channel-Lake Grade School District No. 35 will vote on a \$60,000 bond issue Saturday, April 9, to provide land for improved sanitation drainage and for expanded educational facilities.

The Board of Directors, Vern E. Heath, Elmer E. Eberman, and Edwin J. Hocker, stated that \$15,000 is necessary to purchase land for sanitary drainage and \$45,000 to construct an "all-purpose room."

Since the Channel Lake area has no public sewer system, it is necessary for the sanitary waste of the school to be drained off through tiles in a field. At the present time due to increased enrollment of the elementary school, the existing drainage area is being used to over capacity. It is, therefore, necessary for health purposes to extend the sanitation drainage field.

With the addition of an "all-purpose room," the educational program for the boys and girls can be expanded. The larger room can serve as an auditorium where the pupils can adequately present educational and dramatic programs to the public. The room can also be used for group instruction through such teaching methods as educational movies, audio-visual aids, programs, health and physical development, and indoor recreation for all pupils in bad weather.

The "all-purpose room" can become the social and civic center of the Channel Lake community and can be used by adult and youth organizations.

The Board of Directors is asking the voters to approve the bond issue of \$60,000. Based on the 1953 assessed valuation, the yearly increase in taxes on a home with \$4,000 valuation would be about \$4.80. Board President Vern Heath says, "Good schools cost money, but education is an investment in the future of our children, not an assessment."

In more specific terms, the successful passage of the \$60,000 bond issue would cost each tax payer one and one-half cents per day to provide an improved and better school system.

#### Catholic Nurses Meet At St. Therese Sunday

The Lake County section of the National Council of Catholic Nurses will meet at St. Therese hospital Sunday, April 3.

Benediction will be held at the hospital chapel at 1:15 p. m.

The meeting will be held in the solarium of the hospital at 2 p. m. Week end retreat and volunteer nursing will be discussed. Members are asked to attend and bring a nurse friend with them. Contact Mrs. Charles Cermak for transportation.

Six hundred high school boys and girls making up seven bands, one orchestra, three mixed choruses, two girls choruses and a boys chorus will seek the right to enter state competition through the District 1 organizations contest here Saturday.

Antioch High's band, directed by Louis Chenette, will be pitted with those of Grayslake, Marengo, and Waukegan in Class B competition.

In class C, Richmond-Burton is unopposed, but in class D, Alden-Hebron and Huntley are vying for honors.

McHenry in Class B, is unopposed in its entry of an orchestra.

The fact that Alden-Hebron, Richmond-Burton and Waukegan have girl choruses in three separate classes does not mean each will receive a first place, although that is possible. Judges Marvin Genuchi, George Lantz, and H. William Nordin will rate them according to excellence in view of state competition.

McHenry and Waukegan both have entered girls choruses in Class B and McHenry has entered a boys chorus in the same class without competition.

Schools are classified by the State Music Association according to enrollment. Class D comprises those under 125; C—under 225; B—under 550; A—under 1,000; and AA over 1,100. Those in class AA such as Waukegan will go directly to the state contest without district competition.

Class A and AA will compete at Bradley University, Peoria; B schools will go to Western Illinois University, Macomb; Class C to Illinois Wesleyan College, Bloomington; and Class D will go to Eastern Illinois State Teachers College at Charleston.

Thirty-two Antioch students will serve as guides and secretaries in assisting to handle the district contest here Saturday, Director Chenette said. The same smoothness with which the district solo and ensemble contest was conducted here a few weeks ago is expected.

The public may attend any and all performances which start at 9 a. m. and will conclude at 1:40 p. m. There will be a nominal admission fee.

Principal Albert Dittman will serve as manager and he will be assisted by Louis Chenette, chairman; Richard Gaarder, Woodstock; Otto Graham, Waukegan; Alexander Harley, Des Plaines; and Newell Kessinger, Grayslake. Band and orchestra judges will be D. B. Cuthbert, John Paynter, and Lt. Col. S. E. Mear.

#### Two Grass Fires

The Antioch fire department was called out twice Tuesday to extinguish grass fires. One in late afternoon was on the east shore of Loon lake.

#### B. F. W. Will Elect

The Antioch Business and Professional Women's Club will meet at 8 p. m. Monday at the Scout House. Officers for the year 1955-56 will be elected.

#### Antioch High G. A. A. Places 7th in Meet; Highest in 10 Years

The Girls Athletic association entered the Telegraphic Shooting Tournament this year again, and placed seventh in the state. This is the only interscholastic competition, in which, Antioch's G. A. A. participated. This is the highest place they have attained in over ten years. The girls were very proud of this year's record which they well had a right to be proud of.

The following girls participated: Donna Ballwanz, Garnet Behrens, Peggy Cardiff, Paula Carney, Arlene Cribb, Donna Dittmer, Lois Flattum, Laura Hansen, Lillian McNeil, Jackie Martin, Barbara Novak, Phyllis Petersen, JoAnne Quilty, Nancy Rentner, Janet Roger, Judie Romer, Pat Beck, Mary Tully, Diane Van Hilst, Sue Wolfenbarger.

Peggy Cardiff, Jackie Martin, JoAnne Quilty and Nancy Rentner earned honorable mention for high shooting percentage. This helped Antioch earn their second place easily in the district.

#### Antioch, Lake Villa Grade School Bands Win First Ratings

The Antioch Grade School band placed first in the district contest at North Chicago Saturday and as a result will be eligible to compete in the state contest at Peoria on April 23.

In addition to its excellent playing the band received a high rating in appearance.

Mr. George Olisar, director, and the band members feel that the hard working Band Parents Association and the generous Lions club get much of the credit and thanks for supplying the uniforms which contributed a great deal to the appearance of the band and the final outcome of the contest.

Lake Villa's grade school band under the direction of Thala Rush, won a first place in another classification and too, will be eligible to go to the state contest at Peoria.

Winners of superior rating were North Chicago, Waukegan, Zion, and Waukegan in Lake County and Franklin Park and Glenview in Cook county.

#### "Curtain Going Up" Senior Class Play at Antioch Hi. Apr. 1-2

Dress rehearsal and make-up put the final touches on the senior play "Curtain Going Up!" which will be presented in the high school auditorium at 8 p. m. Friday and Saturday evenings, April 1 and 2.

Tickets are available from all senior students and will be sold at the door.

Miss Howard, dramatic teacher, has had charge of the rehearsals and committees.

The play is a comedy about the actual rehearsal of a senior play at Riverview High school under the direction of a new teacher. The humor is brought out in a long chain of complicated events which tend to make play practice a lot more hectic than usual.

#### Antioch's Merchants Still Good Collectors of State Sales Tax

One hundred and sixty merchants in the Antioch area collected a total of \$194,860.89 in sales tax in 1954, records show.

The total for Lake county was 4 1/2 million. Fox Lake, a larger village, but with fewer merchants, collected \$130,368.54 among its 111 business places, while Zion with 135 merchants outdid Antioch with a total of \$212,926.10, exceeding 165 merchants in North Chicago who turned in but \$208,440.71.

Libertyville's 145 dealers collected \$279,253.05.

#### Six to Battle for Supervisor; 4 for Commissioner

#### Two Seek Justice of the Peace Post; Library Posts Sure

What is expected to be the largest vote ever cast in an Antioch township election is forecast for next Tuesday.

Never in the history of the township has there been a harder battle fought by candidates, nor as much interest shown on the part of the people.

It is estimated that 3,500 persons are eligible to vote and while that number will not be recorded on the poll books Tuesday, a large percentage of it will. Although registration is not necessary to vote, 150 new electors were registered during the past month.

Polling places which will open at 6 a. m. and close at 6 p. m. were announced by Supervisor William A. Rosing who noted one change. Precinct 5 will vote at the Channel Lake school instead of a business place where voting took place previously.

Other voting places will be: No. 1—Antioch fire station; No. 2—Village hall; No. 3—Lotus school; No. 4—Grass Lake school.

Competition is strong in the races for supervisor, Highway commissioner and justice of the peace, but there is no opposition for the three posts on the library board.

Candidates for supervisor who will appear on the ballot in the order of their filing, will be as follows:

Lloyd E. (Red) Murrie. Murrie is a service station operator and has been a resident of this community all of his life. His platform calls for several changes and improvements with emphasis on Home Rule. Anthony Scully is a used car (continued on page 8)

#### Thebest Blind Co. Plans Grand Opening Friday and Saturday

A grand opening of Thebest Venetian Blind Co. in its new quarters in the Nelson building, 879 Main st. will take place Friday and Saturday.

Ralph Greens, owner, will be on hand to greet the public and there will be gifts for all.

Thebest Venetian Blind Co. has been in business at 1050 Bishop dr. for 10 years. A growing business caused the firm to seek a new, larger, and more central location in the business area.

Besides blinds, the firm sells aluminum doors, windows, awnings, and the T-V advertised Jo-Anna Western shades.

#### Personal Property Tax Schedules Placed in Mail By Twp. Assessor

The personal property tax schedules for the year 1955 will be received through the mail this week. The schedule requires the listing of all personal property as owned as of April 1, and return to the assessor on or before May 1, 1955.

Cooperation in this regard will save the time and expense of the assessor's office by making it unnecessary for the assessor or his deputies to call on the delinquents to comply with the law.

Failure to file and make oath to the personal property schedule requires the assessor by law to make an estimate of the value of your property from the best information available, and add a penalty of 50 per cent to such an estimate.

All moneys received from personal property tax is used to support the village, township, and about 8 per cent of it, to the county.

Approximately 75 cents out of each tax dollar goes to the support of the public schools. The assessor will gladly assist in completing the form, if necessary.

THURSDAY, MARCH 31, 1955

### News Gets Around

Everybody eats food—everybody is interested in it. Any substantial change in the price and supply situation of a major food comes under the heading of news.

A good example of that occurred a short time ago. The American Meat Institute reported that pork prices had reached the lowest level in two years. The most popular retail pork cuts have been selling between 10 and 25 cents a pound cheaper than a year ago. Pork has been in plentiful supply since last fall and it is expected that for the next several months marketings will be well above the comparable 1954 levels.

In letters sent to retail food distributors operating more than 28,000 stores throughout the country, the Institute said: "Consumers, many of whom lost the pork-buying habit during a period of reduced supplies and relatively high prices, probably need some urgent reminders of the values existing today." It added that the meat packing industry, the National Live Stock and Meat Board, and the U. S. Department of Agriculture are working to help improve pork sales.

As said before, this is news. And newspapers in all parts of the nation, in small towns and in the biggest cities alike, have been printing articles featuring the availability of pork at highly attractive prices.

### Repeated Challenges

In the midst of the first world war the Federal Fuel Director told the coal industry that it should "produce all the coal that we have a right to expect—and more."

In every war or national emergency that has since occurred coal has faced that identical challenge. Demand for the fuel has soared. And coal has met it without fail.

There can be no doubt that if an emergency arrives again the pattern will be repeated. And if the world is fortunate enough to escape another war, consumption of coal for peacetime uses is expected to double within the next quarter-century.

The importance of coal to us all can be shown by a simple illustration. It accounts for one-half of our present output of electricity. If water power (whose share of electric production is steadily declining) is excluded the proportion is two-thirds. Coal is both an efficient fuel and a cheap fuel. In 1920, three pounds of coal were burned to obtain one kilowatt-hour of electricity. Now an average

of only one pound of coal per kilowatt-hour is burned. Marked further gains are in sight. That kind of progress was brought about by constant research and development both within the coal industry and the industries which use the fuel.

That helps to explain why there is national concern over coal's present depressed state. If it is to be ready for the challenge of tomorrow, it must be healthy today.

### Grass Roots Opinion

PAMPA, TEXAS, DAILY NEWS: "About 1500 B. C. Joseph, as the first Secretary of Agriculture on record, contrived a 20 per cent tax on all produce raised in the land of Egypt. And when the famine came (as is inevitable with the government gobbling up a fifth of everything that is produced) Joseph and the Pharaoh managed to filch all the wealth from all the people until complete state socialism was the accepted order."

TOPANGO, CALIF., JOURNAL: "... We reprint here the historic declaration of the 1954 Indiana general assembly: 'Indiana needs no guardian and intends to have none. We Hoosiers—like the people of our sister states—were fooled for quite a spell by the magician's trick that a dollar taxed out of our pockets and sent to Washington will be bigger when it comes back to us. We found that it lost weight in its journey to Washington and back. The political brokerage of the bureaucrats has been deducted. We have decided that there is no wealth to tax that is not already within the boundaries of the 48 states.' Indiana has lived up to that philosophy. It is estimated that since 1951 the State has passed up \$25 million in federal handouts."

### The Low Down From Hickory Grove

The Stock Market—I choose for my current essay—everybody is taking it apart and looking for bugs. Must be something wrong—they say—it is going up. And everybody who has a share of stock—and there are millions now—say hurra and they should, they been having a long, tedious wait. And the folks who make the mare go in this land of the free and easy and opportunity, are the folks who put up the do-re-mi to build factories and power lines and drill holes in the earth to search out oil and metals. Without these folks who risk their savings in stocks and bonds, who would do all these things. There should be a "stockholders day" to honor these people—like red raspberry day or apple pie week.

But this INVESTIGATION, I reckon it could turn out to be a good thing—in disguise. Instead of something wrong, I figure it could be vice versa. If there is a bug in the machinery it will show up. You don't put an alarm clock in the ash can because it needs a drop of oil or has a small screw loose. You fix it. But small-bore, windy politicians, thinking they see opportunity beckoning, sound-off with alarm—they are rocking the boat—they best sit down.

Above everything else, this land needs high stock prices. They reflect good business. It is that simple.

Yours with the low down,

JO SERRA

## German Seeks British Citizenship

LONDON—The high court is pondering a decision on the appeal of Prince Ernest of Hanover for British citizenship.

The prince, who lives in Marienburg Castle in Nordstemmen, Germany, based his appeal on a 1705 law.

If he is upheld members of reigning families and dethroned royalty throughout Europe could become British subjects, including the kings of Sweden, Denmark, and Belgium and the Queen of The Netherlands.

Even Kaiser Wilhelm, ruler of Germany and archfoe of Britain in World War I, would have qualified as a British citizen under the Prince's interpretation of the old law. The Prince's attorney, Kenneth Diplock, said Queen Anne's act of naturalization of 1705 provided that all descendants of Electress Sophia, then ruler of Hanover, would have British nationality.

The law was part of the complex legislation that brought the Hanoverian line—and thus Queen Elizabeth II—to the British throne after King William of Orange and later Queen Anne died without heirs.

It was not repealed until 1848, after Prince Ernest was born. He is 40.

Diplock said the Prince is a great-great-grandson of one of the first Hanoverian rulers, King George III.

Justice Sir Harry Bevis Vaisey of the high court heard the case and took it under advisement.

The government opposed the

prince's interpretation of the law. British Attorney General Sir Reginald Manningham-Buller said the 1705 law should apply only to descendants born in the lifetime of Sophia. Otherwise, he said 491 of descendants could now claim British passports.

He said they included members of the royal families of Spain, Yugoslavia, Sweden, Holland, Romania, Russia and the many states that now form Germany.

## PRELUDE

Snow patches shrink upon the thawing ground  
As maple trees light tiny lamps of red  
And stand like watchful

purple squiggles  
The meadow slinking winter  
forfeited.  
From knobby shrubs the timid  
pussy willow  
Lifts a Maltese nose into the sun,  
Uncurls and stretches from a  
hollowed pillow  
Convinced that inactivity is done.

The flurried seeds from cottonwood  
and birches,  
Emulating winter's white design,  
Sift beneath the caves of steeped  
churches  
Or drift along the reaching  
arm of pine.  
Waiting builders for their nests  
with these  
Exultant bearers of spring promises.

A man's character can be judged  
by the elevation of his head.

## Nation Registered Top Population Gain During 1954

NEW YORK—The population of the United States, including the members of the armed forces overseas, rose to 163,030,000 at the end of 1954.

This represents a gain of 2,830,000 during the year, and exceeds by more than 100,000 the previous high gain registered in 1951. It was the eighth year in succession in which the population gain has been more than 2.5 million. Contributing to the 1954 gain were the new high number of births, an all-time low death rate, and a moderate addition through immigration.

Every state except West Virginia shared in the 1954 population increase. The rate of population growth was highest along the Pacific Coast, 3.7 per cent, or approximately double the national gain of 1.8 per cent. Since April of 1950, California alone has added more than 2.3 million inhabitants. Its population now numbers about 12.9 million, and is exceeded only by that of New York State.

The Rocky Mountain States also experienced a vigorous population growth during the year. Arizona and Nevada have been the fastest growing states in the country, each having doubled its population since 1940.

Florida's population increased by about 5.7 per cent in 1954, and by more than 6 per cent annually in the years immediately preceding.

Increases well above the national average also occurred in the District of Columbia, New Mexico, Delaware, Maryland, Utah, Connecticut, Michigan, Louisiana and Texas.

## World Brotherhood Meeting Planned

NEW YORK—The fifth anniversary of the founding of the World Brotherhood organization will be marked by a four-day assembly to be held July 11-15 at Brussels, Belgium.

Established in 1950 as a civic, non-political international organization promoting an educational program for better group relations, World Brotherhood will keynote the Brussels' meeting to the theme of "Brotherhood for Peace and Freedom" according to Nobel Prize physicist Arthur H. Compton, general chairman.

World figures of renown in government, religion, science, education, business and the media of mass communications will exchange ideas for increased cooperation among men and women of good will for the attainment of higher moral and material standards of life. Dr. Compton said. Some 500 delegates are expected from Asia, Africa, Europe, and North America.

Scheduled speakers include Carlos P. Romulo, former president of the UN Assembly; Paul Reynaud, former Premier of France; Paul-Henry Spaak, Minister of Foreign Affairs for Belgium and Mrs. Theodore Chapman, General Federation of Women's Clubs.

## Man Lives 5 Years in San Francisco Cave

SAN FRANCISCO—A man who says he has lived for five years in a cliffside cave on San Francisco's ocean front may solve the mystery of the "phantom burglar."

Kip Hing-jul, 33, a native of China told police he had lived in a cave since 1949 and hadn't

spoken to another human being in that time. Dirty and ragged, Kip was picked up by police called to investigate a prowler.

He tried to jump off the Golden Gate Bridge, but couldn't, he said, nor could he wade out to his death in the ocean.

He said he walked up the cliff and found the cave, where he slept and hid for five years, coming out at night only to seek food.

## Cabdriver Unconscious Year After Beating

CHICAGO—Cab driver John Brookhouse probably doesn't remember that he was robbed and beaten a year ago.

Brookhouse, 38, has never regained consciousness since the day police found him propped against a fence near his empty cab. His watch and wallet containing \$18 were missing.

His frail wife visits him once and sometimes twice a day at County Hospital. She talks to him and tells him jokes. Despite the opinion of doctors, she believes he understands her.

Angered by TV  
MILL VALLEY, Calif.—The picture on the television set in Wade Cook's home flickered during a prize fight.

"I'll fix that . . ." roared the 40-year-old brakeman for a railroad.

He picked up a pistol and sent a bullet through the picture tube. His wife ran screaming to a neighbor's house.

Summoned sheriff's deputies later found Cook dead in the kitchen, a bullet through his head.

## Masked Gunman Fails To Scare This Lady

NORWALK, Calif.—The fact that the intruder wore a mask and carried a gun carried no weight with Mrs. Joyce McKinney, a 165-pound bartender.

"This is a stick-up," he shouted. Apparently annoyed, Mrs. McKinney stepped from behind the bar and ripped off the mask.

"Who are you kidding?" she asked.

"You shouldn't have done that!" shouted the gunman. "I told you, this is a stickup!"

Mrs. McKinney still wasn't impressed. She slapped the bandit, took his pistol away, threw an arm lock on him and wrestled him to the floor.

A few of the male customers in the Norwalk bar helped her throw him out.

Double Action  
WOODROW, N. C.—Because of a belt, he lost his pants. Because of his pants, his leg was shot. Paul Jones dashed out in the middle of the night to investigate a noise. He forgot his belt, but grabbed a pistol. Down went the pants. When Jones grabbed the pistol went off and shot him in the leg.

The noise was caused by an opossum and a blacksnake in the hen house.

Curious Customs Men  
BUENOS AIRES—A woman arrived here by transatlantic airliner and caught the eye of customs inspectors. She walked with great difficulty.

The reason, the Customs Department said, was that she had more than 72 pounds of gold bars hung in her clothing, a load worth more than \$40,000.

Customs agents refused to identify her. The plane came from Rome via Lisbon, Rio de Janeiro, and Montevideo.

## "Curtain Going Up"

Miss Burgess (Garnet Seyfarth) as dramatics director at River-view High School and Mr. Carter (Fred Clarke), journalism teacher watch Lorry (Miltz Wolf) and Jocko (Howard Ballwanz) perform in the Senior class play "Curtain Going Up" being presented Friday and Saturday night, April 1 and 2 in the Antioch High School auditorium.

Face the Facts  
We all have to play life's game with the hands dealt us, so why expect a reshuffle.

Live and Let Live  
Consideration for the rights of others is the strongest link in the chain of human friendship.

## Antioch Woman Gets Office On County Council of P. T. A.

Mrs. Francis Burke of Grass Lake was elected vice president of the Lake County Council of Parent-Teacher Associations at the meeting held at the Antioch Grade School Tuesday evening. W. C. Petty is second vice president.

President for the year is Mrs. Lester Keeper of Waukegan and other officers are Mrs. Allen Vahl-dick of Mundelein, secretary, and Rockwell Schwartz, Zion, treasurer. Ray S. Ellis, superintendent of the Round Lake Grade school gave a report on recent legislative action affecting schools.

W. C. Petty, Lake county superintendent; Charles Nihan of Boone county, and Richard Tazewell, McHenry county, also county superintendents, conducted an interesting discussion on school growth and planning as members of the panel. Miss Marjorie Greener of Waukegan led the community singing. The Antioch P. T. A. served as host for the occasion.

## Women of Moose Plan Open Meeting April 7 Vote Four Candidates

The Antioch Chapter No. 735 of the Women of the Moose voted in favor of four new candidates at their business meeting last Thursday, March 24, at the Moose lodge. The next regular meeting, Thursday, April 7, will be open to the public and the Chapter is extending an invitation to all of its friends and prospective members.

Senior Regent Mrs. Frank Kennedy, Jr., has called a meeting of committee chairmen for tonight and asked that all of the chairmen be present or else appoint a member of their committee to act as their representative if any one of them will be unable to attend. The meeting will be called at 7:30 at the lodge hall.

The Chapter voted in favor of sending a donation to the Antioch Grade school to assist them in buying uniforms for the band. An announcement was made that the Loyol Order of the Moose is sponsoring a roller skating party at the Twin Lakes skating rink on Tuesday, April 12.

After the meeting, the co-workers enjoyed a baby photo guessing contest promoted by the publicity committee as well as a very successful jewelry sale sponsored by the hospital chairman, Mrs. Fred Gras, and her committee.

Co-workers Mrs. John Koral was the sole participant in the birthday march for the month.

Moosehaven chairman Mrs. Anton Johnson and her committee served refreshments after the meeting.

## Conference Dance Here Last Friday Drew Large Crowd

Approximately 350 students from the eight schools in the Northwest Suburban High School conference attended the Student Council dance at the Antioch Township High school Friday night.

Bob Cain, Antioch, served as master of ceremonies.

Streamers in the colors of each school in the conference were used along with the school pennants in the decorations. Music was furnished by Frank Laurie's orchestra.

Each school in the conference presented an act with the exception of Bensenville, which had a play that conflicted. Those who appeared for their schools after a welcome by Ed Ring of the host school were: Barbara Brandt and Kay Brown of Elmhurst who danced the Charleston; Roger O'Day of Wauconda who provided comedy and impersonations; Jackie Martin and Donna Reidel of Antioch sang accompanied by Nancy Swenson; Bob Salners from Glenbrook did a tap dance specialty; Palatine's Irene Hayford and Valerie Moehling did a novelty vocal duet; Jerry and Caroline Beck of Grayslake pantomimed to the song "Sisters" with Jerry trading his usual masculine attire for feminine apparel and Bob Kestor from Grant concluded the show with a saxophone number accompanied by Tom Anderson on the drums.

The conference sportsmanship trophy which has been awarded to Grant for the second season was prominently displayed at one end of the floor.

## BAPTIST BIBLE CHURCH TO OBSERVE GOOD FRIDAY

The Baptist Bible church temporarily meeting at the Progressive club in Round Lake Beach, plans a Good Friday Communion Service at 8 p. m. Friday, April 8.

On Easter Sunday at 11 a. m. the Rev. Arthur Martindale will begin a series of messages on the resurrection, the first of which will be "The Resurrection of Human Hope."

All are invited to attend both of these services.

The Annual Easter Egg collection for Wesley Memorial hospital will be taken at the Methodist church Sunday, April 17.

## Club Women Plan Cancer Fund Drive

Members of the Antioch Woman's Club planned the Cancer Fund drive at a recent meeting at the home of Mrs. Louis Biel. Taking part in the discussion of plans are Mrs. Robert Bert and Mrs. John Dupre, co-chairmen; Mrs. Norman Benson, Mrs. Irving Elms, Mrs. E. J. Stetten, and Mrs. Joseph DeStefano.

## Charlotte Beelow Bride Of Ronald Nickerson

A very pretty wedding took place at the Community church in Lake Villa on Friday evening, March 25 when the pastor, Rev. Kenneth Plummer officiated at the marriage of Miss Charlotte Beelow to Ronald Nickerson in the presence of a large group of relatives and friends.

It was a seven o'clock candlelight service and before and during the ceremony Miss Nancy Swenson sang "Because" and "The Lord's Prayer" and "I Love You Truly," accompanied by Mrs. Plummer at the organ, who also played the traditional wedding music.

The bride was given in marriage by her father Vernon Ruftard, and was beautiful in her white wedding gown and veil and carried a white bouquet. Her sister, Miss Sylvia Beelow, in turquoise blue, was maid of honor, and Miss Sharon Gray, in pink, Janet Beelow, in blue and Margaret Matteone, in coral, were the bridesmaids.

Billy Wilson served as best man, and Boake Baird, Quentin Belke, and Forest Bolton were ushers. Donna Honeau was flower girl and Tommy Nickerson was the ring bearer.

Many relatives and friends were present from Waukegan, North Chicago, Zion, Winthrop Harbor, Antioch, Grayslake, Round Lake, Fox Lake, Wauconda, Chicago, DeKalb, Lake Forest, Mundelein, Dundee, Chicago, Kenosha, Union Grove, and Libertyville for the ceremony and also at the reception which was held at the fire station where the Bessie Barnes three piece orchestra furnished music for the dancing upstairs. Refreshments were served downstairs.

The bridegroom's great grandmother, Mrs. Clara Nickerson, her son-in-law and daughter were present from Crown Point, Ind., also Mr. and Mrs. Earl Brixen of Tucson, Ariz., Mrs. Mary Nickerson of Dundee, Mr. and Mrs. Wallace Turpin of Galena, Ill., besides many other relatives and friends.

The newlyweds left for a three day trip, destination unknown, and are getting nicely settled in the Meinersmann apartment on Rte. 59 where their many beautiful and useful wedding gifts may be used to make it a pleasant home.

Ronnie is employed at the Johns-Manville plant in Waukegan.

## ZION STUDENTS GIVE TO RETARDED CHILDREN FUND

The Zion-Benton Township High School Student Council last week presented a check for \$108 to the Retarded Children's Educational Society of Lake County.

The major part of the check, \$70, represented proceeds of a benefit social staged March 11 by the student council to which more than 400 students paid admissions.

## 100 See Movies, Styles At Altar, Rosary Society Meeting Monday Night

More than 100 members and guests attended the open meeting of the Altar and Rosary society of St. Peter's church, Monday evening. Mrs. Dudley Kennedy obtained Standard Oil Company's "Midwest Holiday" for the first film and this was followed by Warner Brothers Foundation Garment film.

Mrs. Thomas Pechousek presented MariAnne's Spring Style Show. Her models, Mrs. Lillian Quilty, Mrs. Harry Bechman, Mrs. Roy Yancey, Mrs. Joseph McGrath and her daughters, Patricia, Betty and Nancy; Mrs. Richard Hedberg and Mrs. Joseph Higgins, wore the latest in cottons and nylon jerseys, also, "all purpose coats," Dior's "A" look and the longer waistline, together with Spring and Summer hats and bags.

Mrs. Jack Seisser of Petite Lake road, Lake Villa, was the recipient of the hat MariAnne donated at the conclusion of the show.

The evening was completed with Delta's C and S Air Lines "The Magic of Nassau," which featured beautiful pictures of the Bahamas, brilliant coloring and landscapes. In keeping with Lent, coffee only was served.

## St. Ignatius' Church

Schedules for services during Holy Week and Easter: Holy Eucharists Monday, Tuesday, Wednesday, and Thursday, 7 a. m.; Friday—9 a. m.

Other services during Holy Week: Wednesday evening 8 p. m., Regular Evensong Service and Meditation.

11:00 A. M.—Holy Eucharist.

Mrs. William Grunewald, Sr., returned recently from White Sands, New Mexico, where she spent three weeks with her son, William E. Grunewald, his wife and baby.

## Get Scholarships to Summer Music Camp

Lenore McCord and Robert Cain, both juniors at Antioch Township High School, have been awarded one week scholarships by the Antioch Woman's Club to the 1955 Eastern Music Camp to be held during the summer on the campus of Eastern Illinois State College at Charleston. Lenore, daughter of Mr. and Mrs. Harold McCord of Lake Villa, plays the piano and French horn and sings. Robert, son of Mr. and Mrs. M. C. Cain of Antioch, plays the baritone horn.

**JEANNE FILIATREAU**  
Jeanne Filiatreault, daughter of Mr. and Mrs. Willis Filiatreault, Bluff Lake, will attend the Illinois Conservation school at Lake Villa. She is sponsored by the Antioch Woman's Club.

**W. S. C. S. TO HEAR TALK BY MRS. DAVID NODDIN**  
The regular meeting of the Women's Society of Christian Service of

the Methodist church will meet at 1:30 p. m. Wednesday, April 6, at Wesley hall. Mrs. Gordon Wells will have charge of devotions. Mrs. David Noddin will talk on "The United Work of the Protestant Church Women in the United States." Mrs. Clara Westlake and her committee will have charge of the luncheon. Everyone is invited.

## Haling Attends School Of Johnson Motors Co.

Charles Haling of Antioch is attending a two weeks outboard service school in Waukegan, Ill.

The school, held by Johnson Motors, is designed to acquaint the firm's dealers with its 1955 line of outboard motors, and to instruct them in the latest techniques of outboard service and repair. On completion of the two weeks session, Haling will receive a certificate certifying him as a qualified outboard mechanic.

Haling is service manager of Haling's Resort, which has the local Johnson franchise and is a member of a national dealer organization numbering more than 3300 authorized dealers. A current display features the new Johnson 1955 line of outboards.

(Continued from page 1)

dealer and formerly employe at the Chevrolet garage as salesman. He has been quite active in community projects, leading various drives, and serves on the village park commission.

William Rosing, supervisor incumbent, needs no introduction. He has served the township for many years. He is a former owner of the Ford garage here, but recently disposed of his interests to look after his real estate interests.

Joseph Farrin of Grass Lake is a tavern operator at Cox's Corners on Rte. 173. He is a former manufacturer and real estate man.

Jack Wolff operates a radiator repair shop and a bait shop at Grass Lake. He is Republican committee man of his precinct, and is well known.

John Olsen, a resident of California subdivision, has resided in this community for a number of years. He is night superintendent at the Cuneo Press, a highly responsible job, in Chicago.

**Four Run for Road Commissioner**  
Seeking the office of highway commissioner for which Robert Webb is not seeking re-election are two of his employees. Richard Waters, a tree surgeon, listed first on the ballot, is a life long resident of the community.

Henry R. (Hank) Palm has been active in affairs of the community for the last 11 years. He operated a bus line which was sold to the Cardinal Lines; then operated a resort at Lake Catherine. He is familiar with the road maintenance work.

James E. Runyard, a life-long resident of Antioch township, has for the past 11 years engaged in road work and too, has been employed by Webb. He is making an energetic campaign for the post as a person who will devote his entire time to it.

Gile Edwards is a resident of Channel Lake, has been a resident of that community eight years. He is a grocery store owner, but is employed in the engineering department of the Johns-Manville plant in Waukegan. He is serving as town constable.

For the office of Justice of the Peace Jack Stieber and Richard B. Seyfarth are opposing candidates.

Stieber operates a barber shop at Rte. 173 and Lake Dr. in Felter's

Subdivision where he has resided for six years. He is a member of the Antioch auxiliary police, a 32nd degree Mason and active in the Moose lodge.

Seyfarth served as a judge at Blue Island before entering army service, after the war he came to Lake Marie and aided his parents in operating their resort, finally assuming full management. He sold the resort during the past year and has been devoting his time to law practice.

**Internal Revenue Office  
Open on Saturday; Night**

Ernest J. Sauber, District Director on Internal Revenue, announces that branch offices of the Internal Revenue Service will be open on Saturday, March 26, and April 2 from 8:30 a. m. to 12:30 p. m.

On Saturday, April 9, the hours will be from 8:30 a. m. to 5 p. m. One branch office is on Washington st. in Waukegan.

**Evening Telephone Service**  
Beginning Monday, April 4, 1955, the Chicago District office will maintain additional telephone service from 5 p. m. to 8 p. m. for the purpose of answering questions of taxpayers who are preparing their returns at their homes or places of business.

The telephone number is Dearborn 2-4500.

**Antioch Woman's Club  
Will Make Tour of  
Johns-Manville Plant**

The Antioch Woman's Club will tour the Johns-Manville plant in Waukegan Monday as a part of their year's program, Mrs. Louis A. Biel, president, announced.

The members will meet at the Scout House at 11:45 and those who want transportation will be provided it by those who have cars.

The caravan will arrive at the industrial plant at 12:45 p. m. and after luncheon will tour the large factory. The women are advised to wear walking shoes and not fancy clothing because of the dirt.

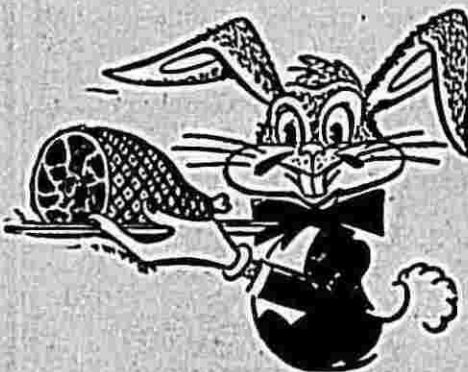

The return trip will be made at 4 p. m.

**RAINBOW GIRLS SEE  
BRADLEY DOLL EXHIBIT**

Antioch Assembly No. 23 Order of the Rainbow for Girls was entertained by a doll hobby show conducted by Mrs. Clarence Bradley of Kenosha at its regular meeting March 28. Mrs. Bradley showed dolls of colonial as well as other periods. Some members of the club brought dolls to be exhibited. Penny Storch and Sharon Gibbs were rewarded for their doll exhibits.

**VOTE FOR AND SUPPORT**

## Lloyd E. "RED" MURRIE for Township Supervisor Antioch Township

For your consideration I submit the following facts concerning the office of Supervisor and my qualification for the office:

The Supervisor is chairman of the Town Board and as such conducts all meetings of the board and also acts as chief executive of the town government, in carrying out the orders of the town board. Being a firm believer in "Home Rule," I feel that town governments have leaned too heavily on county governments and have not provided the vigorous home government we need. If elected, I will strive to bring the town government back to its rightful place.

The Supervisor, by virtue of this office, is township treasurer, handling all funds of the township, and keeping records of financial affairs of the township. It has been the practice of many Supervisors to cause expensive accountants to handle the accounts, thus bringing about increased costs to the township. If I am elected, I will strive to keep accounting and clerkship costs to an absolute minimum, and personally take care of all records of the office.

I will advocate appointment of a qualified Doctor of Medicine to the important post of Township health office, believing that only a qualified medical man can do a proper job in this important position.

The Township Supervisor is also Poormaster of the township. In America today it is impossible for a citizen to starve, and machinery to prevent want on the part of unfortunate people is in the hands of the township government. If elected to the office I will strive to see that all will receive help who are really in need. To this end I will be here, in Antioch, 365 days a year to attend to the needs of the office of poormaster.

Not the least important of functions of the office is the fact that the Township Supervisor is the representative of his township on the County Board of Supervisors. In this respect I believe that more vigorous, alert representation is needed. The county board is local government on the county level, and if Antioch is to get its fair, proportionate share of benefits from the county tax dollar, your representative must be willing to fight for it.

If you feel that the above statement of my aims and qualifications deserves your consideration, I hope that you will not only support my candidacy for the office, but will continue to give me your support and council during my term if I am elected.

PARENTS

Dedicated To The  
Happiness And  
Wellbeing Of Their  
Children

MUSIC IS THE GATEWAY  
TO POPULARITY

All their lives children who make music enjoy the popu-  
larity that comes to those who entertain.

Who leads the group in song? The musician in the crowd.  
Who turns teen-age gatherings into fun-packed dances? The  
musician and his fellow music makers. Who is first to be in-  
vited to parties and the center of attraction at picnics and  
camps? The child who plays a musical instrument. Yes, it's  
a priceless advantage you give to your children when you  
make music part of their education!

Your Child Deserves The BEST—  
Take Advantage of this SPECIAL Today!

For Only \$2.00 Per Week—  
YOUR CHILD RECEIVES 10 ½-HOUR PRIVATE

## Business and Wars Always Give Way To Siesta Time

WASHINGTON—For uncounted centuries the siesta has influenced government, business, international trade, war, rebellion, family life and human health across a large slice of the world.

Cost Rica's short-lived military flare-up left ample time for soldiers to take their afternoon snooze along front lines, according to news pictures. In Madrid last year, proposals to abolish the siesta erupted into heated controversy.

It was the Spanish who named the siesta, taking the word from the Latin *sexta hora*, sixth hour after dawn, noon. But the customary habit of sleeping through the head of midday was not a Spanish invention.

Pharaohs napped in palaces by the Nile. Centurions of Rome snored during the blazing hours in North African and Near East lands. Moors brought the custom to the Alhambra and Granada and found the Spaniards already dozing. Spanish conquistadors in turn took siestas in the Aztec halls of Montezuma and the fortresses of the Inca.

Today whole cities and countries shut up shop while the sun is high and hottest. From noon until four o'clock in some lands, all business stops and men sleep.

From 12:15 until 1:45 in Ciudad Trujillo, capital of the Dominican Republic, a caballero could shoot a rifle up or down most of the main streets with little danger of hitting anybody. Then an electric fire siren shatters the silence to warn siesta-takers that it's almost time to go to work again.

Mexico's capital, bursting at the seams, has largely done away with its noon-time nap, partly because public transportation was not up to taking the breadwinning population back and forth between home and working place four times a day.

## Device on Planes Spots Submarines

BURBANK, Calif. — Sub not sighted, sank same.

This message may one day come from a U. S. Navy Neptune airplane equipped with new "divining rods" to locate submarines hiding beneath the sea. The long, pointed tail which appeared recently on the Neptune has a special apparatus which can spot underwater vessels.

Called the "MAD-bird"—MAD standing for magnetic airborne detector—the Neptune does its aerial detective work by registering disturbances in the earth's magnetic field.

Based on well-known physical principles, similar equipment was used in military operations during World War II and in oil and other mineral explorations since. New refinements in the MAD-bird permit its incorporation within airplanes. Formerly the magnetic device was towed far behind the airplane.

## Eskimo Seal Hunters Bothered by Walrus

FAIRBANKS, Alaska — Eskimo seal hunters at Point Barrow on the northern tip of North America have been having walrus trouble.

An Eskimo correspondent of the Fairbanks News-Miner reported it this way:

"Today Ernest Kignak and a few others saw a walrus. Day after day men would go out and most every man would come home empty. Walrus is an enemy to seals, that's why the seals don't hang around, no matter how good the ice could be.

"The people here wish to see this walrus go away or be killed. A very same thing had happened to this village one time in 1939. People would be short of seals then, too."

## Water Pistol Used To Test Steam Pipes

BILLINGS, Mont. — If you should visit a \$17,000,000 refinery here and see a guy walking around with a toy water pistol, he isn't crazy, nor a misplaced cowboy. He's working—checking on steam pipes.

The refinery is laced with miles of pipe, including high-pressure steam pipes with temperatures up to 350 degrees Fahrenheit. That's hot enough to cook a roast. It is often necessary to know if a steam line or trap contains live steam.

At first, refinerymen touched these lines and got burnt. Some spit on the pipes. But now one squirt from a water pistol and the water jet explodes into steam and gives the answer.

Careless Campers  
WASHINGTON — Campers caused 43 fires last year in the lands supervised by the National Park Service—more than for any previous year except the 45 in 1952.

All but three of the 1954 fires, the Park Service reported, occurred in areas where overcrowded camp grounds may have forced visitors outside the specifically protected camping areas.

Card of Thanks  
The parents of Erich Faust are so thankful for the cooperation in recovering the body of their beloved son Erich. Special thanks to the Antioch Rescue Squad, the Lake Villa Fire Department for their efforts and tireless work under severe weather conditions. We will not forget the State and County Police Forces for the splendid work in this unfortunate happening.

To all of you our sincerest appreciation.  
Mr. and Mrs. Erich Faust

## Antioch High School Baseball Season to Open Tuesday if Weather Permits; Richmond Opponent

Antioch High School's baseball season is scheduled to open Tuesday with Richmond High as opponent on the Sequoit diamond.

With several of last year's stars absent through graduation, Coach Dick Scott is having to mold a new baseball team this year for the local school, and Tuesday's game will be in the nature of a tryout.

Missing this year are pitchers Mark Verke and Phil Vos, as well as Catcher Jack Lawrence, Tom McGreal, first baseman, Larry Hostetter, second baseman and Johnny Wells, center fielder.

Only full-time regulars back this year are Mike Haviland who played at short; Warren Brownlee, who was at third base, and Roy Ballwanz, who played in left field.

It was Antioch's strong pitching team of Vos and Verke that was largely responsible for the 10-4 league record that drew a tie for the conference title with Grayslake last year.

Verke not only won six of his eight games but had a batting average of .368.

With no opportunity to play out of doors, Coach Scott is limited to indoor pitching practice instruction. He is grooming Mike Haviland for mound duty and may use Fred Clarke in that capacity too. Junior candidates include Wayne Swanson, Harvey Strametz, and Norman Silver.

Jerry Meyer may see duty behind the plate although Brownlee, a .351 hitter may be moved from third base to that position.

Possibilities for other positions are:

Jim McMillen, senior, Jim Stonis and Wayne Alshouse, at first base; Harry Lindgren at second; Frank Walsh and Jim Scully juniors, at second and third if Haviland and Brownlee are moved elsewhere, and Ballwanz, Bill Layton, Jack Crawford and Sid Parker in the field.

Coach Scott thinks that with a little luck on the mound, he has enough hitting strength to make a good showing, but admits that Glenbrook is the team to beat this year.

Antioch's first conference game will be with Grayslake there the following Friday.

The season's schedul follows:  
April 5—Richmond (here)  
April 8—Grayslake (there)  
April 12—Grant (there)  
April 15—Wauconda (here)  
April 19—Glenbrook (there)  
April 22—Bensenville (here)  
April 26—Palatine (there)  
April 29—Ela-Vernon (here)  
May 3—Grayslake (here)  
May 6—Grant (there)  
May 10—Wauconda (there)  
May 13—Glenbrook (here)  
May 17—Bensenville (there)  
May 20—Palatine (here)  
May 24—Ela-Vernon (there)

### HICKORY

Mr. and Mrs. Bert Edwards accompanied Mr. and Mrs. Robert Taylor and sons to Rockford Sunday afternoon, where they visited the Ward Edwards family.

Sunday dinner guests at the Sam Herquist home were Mr. and Mrs. William Richards of Rte. 173 and Mr. and Mrs. Oscar Hagen of Antioch.

Mr. and Mrs. Axel Bohlen of Kenosha visited the William Richards family Monday afternoon of this week.

Mrs. Harold Butler and two daughters, Georgia and Kathy from Waukegan visited the Curtis Wells family Thursday afternoon.

Mr. and Mrs. Hans Christensen and Mr. and Mrs. Ejnor Christensen and family of Waukegan were Sunday afternoon and supper guests at the N. C. Christensen home.

Mrs. Wm. Richards' nephew, Fred Rausch, was a dinner guest Monday at their home. He is in service and is being transferred from Missouri to New Jersey.

Elected YWCA Treasurer Lafayette, Ind. — Penni Mackey, daughter of Wayne W. Mackey, Rte. 1, Lake Shangri-La, Bristol, Wis., was recently elected treasurer of the Young Women's Christian Association at Purdue University.

In addition to serving as treasurer of the Y. W. C. A. at Purdue, Miss Mackey is a member of the V. C. Meredith Home Economics club. She also serves as an officer of her sorority.

Miss Mackey, a junior in the School of Home Economics at Purdue, is a member of Alpha Xi Delta, social sorority.

The Belgian Society of the International Red Cross, the oldest Red Cross society in the world, was founded on Feb. 3, 1864.

Tuesday, March 29

High team series went to Gibbs and Jenssen who had games of 700-752-770—totaling 2222.

A. Pedersen was high individual scorer, bowling 188-133-163—totaling 484.

Recreation won two games from Art's Paint Store.

Servicenter beat Meyers Tavern two games.

Gibbs and Jenssen took two games from Sexauer.

Smart's won two games from Bel-Aire Beauty Salon.

Pasadena took two from Tuttle Mink.

Hazelman's took 2½ games from Van Pattens.

#### Gavin School P.T.A. Plans Election and Card and Bunco Party

The regular April meeting of the Gavin Parent-Teacher association has been postponed until 8 p. m. Tuesday, April 12.

This is an important meeting as officers will be chosen. The Gavin school band under the direction of John Hodge will give its annual concert. There will also be open house and refreshments served by the first grade mothers.

The meeting will be in the school auditorium.

Another event at Gavin school will be a card and bunco party sponsored by the P. T. A. for 8 p. m. Friday, April 15 in the auditorium. Refreshments will be served and there will be several prizes.

There will be dancing for the sixth, seventh, and eighth grade students in the lunch room. Tickets may be purchased at the door or from upper room grade students.

The person with no purpose in life can never show progress.

## High School Freshman Start Drive to Obtain Clothing for Needy Both in U. S. A., Overseas

Antioch High School freshmen will go on a full-fledged crusade tomorrow and Friday. They will seek bundles of clothing to provide warm clean garments for needy children in America and overseas.

According to Principal Albert Dittman the local drive is part of Save the Children Federation's Thirteenth Annual Nation-Wide "Children's Clothes Crusade," which is conducted in public schools throughout the United States under the auspices of the Federation's National Advisory Committee of School Superintendents.

The clothing collected will be used to aid children and families in Korea, in war-depleted countries of Europe and the Middle East, and in disadvantaged rural areas of the United States, including the Navajo Indian Reservation.

Federation officials present these pointers for clothing givers who want to be sure their clothing will do the most good:

Most needed is warm clothing—heavy underwear, wool skirts, suits, sweaters and coats. Bundle. Day

clothing goes to people whose first need is warmth—not style. If the clothing is warm, even adult sizes can be cut down and gratefully used.

#### Shoes Are Important

Children's shoes are next in importance. Even though scuffed, America's outgrown shoes still have miles of use left in them. Here again adult sizes can be used. However, high-heeled women's shoes are of no use either to mothers or children in areas served by the Federation, and should not be included. Babies' clothing is in constant demand. Diapers, crib blankets, night shirts, warm sweaters and undershirts are especially needed.

John Grady, sponsor of the freshman class, stressed the importance of having all clothing gifts clean and in as good repair as possible "because these gifts will be symbols of new hope to many needy children."

Save the Children Federation urges all local citizens to join in the clothing crusade by sending a bundle of used clothing to school.

Everyone's days may be numbered—but some people live as if they were endless. A navy cruiser bake shop must produce about 4,000 servings per day for her crew.

A big part in any man's religion consists of getting along with other people. The part of the body some people talk with is generally too big for the part they think with.

Mr. and Mrs. Cyril Pacey were Saturday dinner guests of Mr. and Mrs. Roy Haller of Kenosha.

## LEGAL NOTICE

ELECTION NOTICE  
For Board of Education of  
School District No. 34

Notice is hereby given that on Saturday, the 9th day of April, 1955, an election will be held at the Antioch Grade School in School District No. 34, County of Lake and State of Illinois, for the purpose of electing two members of the school board of said district for the full term. Also, one member of the school board to fill vacancy for one year.

For the purpose of this election said school district shall constitute a single election precinct and the polling place is established at the Antioch Grade School, Antioch, Illinois.

The Polls will be opened at 12:00 o'clock Noon and close at 7:00 o'clock P. M., of the same day.

By order of the School Board of said District.

Dated this 24th day of March 1955.  
Charles Wertz, President.

Attest:  
Elmer Baethke, Secretary.  
(37-38)

Land of Dreams Theme

of GAA Banquet Apr. 16

"Land of Dreams" is the theme for the mother-daughter banquet planned for April 16 by the Girls Athletic association of the Antioch Township High school.

Miss Edie Jones, a Patricia Stevens model, will be the guest speaker.

The committees are working hard to make the event a success, Miss Mary Donovan, adviser of the group

said. All of the G. A. A. alumni of the past two years will serve at the banquet which will be held in the girls' gymnasium at 6:30 p. m.

### Pack 92 Adds New Den With Mrs. Eckert Mother

Antioch Cub Scout Pack 92 held its March pack meeting on Friday, March 18, at Wesley Hall, Antioch Methodist church.

Cub Scout theme for the month was "Knights of Yore" and all entertainment was directed toward that subject. Skits featuring brave knights, complete with shields, swords and helmets were interesting, educational and humorous. Community singing, games and presentation of promotional awards completed the program.

Mothers of Dens 3 and 4 were

hostesses for the evening and refreshments consisting of many varieties of homemade cakes, cocoa and coffee were enjoyed by all.

A new den, No. 9, under the direc-

tion of Mrs. Richard Eckert was welcomed into the pack. With the addition of the new den, total enrollment figure of Pack 92 was increased to 66.

### TIME FOR A CHANGE

## VOTE

Tuesday, April 5  
A. J.

**SCULLY**  
for TOWNSHIP SUPERVISOR

As a candidate for the highest office of the Township I believe it is my duty to present my qualifications for this important post.

1. I am a home-owner, taxpayer and owner of an automobile business in Antioch Township.
2. I have had nine years of banking experience, and seventeen years of insurance and business administration experience.
3. I have been a constant worker for civic betterment serving as Park Commissioner of Antioch and instrumental in getting Antioch's park in usable condition.
4. I have been chairman for various Charity drives, serving Antioch Township as Polio chairman for three years in over-the-top record drives.
5. I have been a member of the Antioch Lions Club for many years and have served the club and the community as chairman for all major events promoted by the Club.

Member of the Antioch Moose Lodge, the Knights of Columbus and president of St. Peter's Holy Name Society for two years.

I have worked with the Boy Scouts of America.

The qualifications above are submitted for your consideration and if you feel these merit your support, I welcome your help. This election is important to you — it provides you with men to administer your local government. Please exercise your American Right to vote on Tuesday, April 5, 1955.

Sincerely yours,

A. J. SCULLY,

Candidate for Township Supervisor.

## MILLBURN

Regular services at Millburn Congregational church Sunday, April 3, will include Sunday School at 9:45 and Palm Sunday church services at 11 o'clock. Several babies will be baptized at this service. In the evening at 7:30 a sound movie, "The Road to Jerusalem" will be shown. All are welcome to attend these services.

The annual Father and Son banquet held Wednesday evening in the church dining room was well attended with 91 men and boys enjoying the meal prepared and served by members of the Myla club.

Mr. and Mrs. Jacob Kaluf and Mr. and Mrs. Frank Edwards were supper guests at the John Edwards home Sunday evening to celebrate the 80th birthday of Mrs. Kaluf.

James Holm returned to service at Mountain Home, Idaho, Wednesday after two weeks furlough with his parents, Mr. and Mrs. Donald Holm.

Mrs. Myrtle Savage has been ill the past week.

Rev. and Mrs. L. H. Messersmith spent Saturday with the Rudolph Sivka family at Madison, Wis.

Sharon Weber and two of her classmates, Virginia Mattson and LaVergne Coloski from National School of Education in Evanston spent the week end with her parents Mr. and Mrs. C. P. Weber.

Mr. and Mrs. Ernest Wells arrived home Thursday from a month's visit with their daughter, Mrs. Ray Miller and family in San Mateo, Calif., and with Mr. and Mrs. Asa Patch in Sweet Home, Oregon. They made the trip by plane.

Mr. and Mrs. William Brinker and Mrs. Tillie Gorski of Berwyn were dinner guests of Mr. and Mrs. Joseph Strohal Sunday. Afternoon callers were Mr. and Mrs. Glen Cain of Waukegan.

The Orville Hairrell, Jr., family of Waukegan and the Elmer Hauser family of Hickory were callers at the Frank Hauser home Sunday afternoon.

Mrs. Bert Davis accompanied Rose Mary Whalen of Chicago to Newton, Ill., where they spent the week end with Mr. and Mrs. Wilbur Ochs.

Capt. Richard Martin returned to his work at Western Military Academy in Alton, Ill., Sunday after ten days vacation with his parents, Mr. and Mrs. E. A. Martin.

Mrs. Carl Hughes returned home Thursday from a few days visit with her daughter, Mrs. J. R. Kalvelage in Dubuque, Iowa.

Miss Marion Lossman of Waukegan spent Sunday with her aunt, Mrs. Carl Anderson.

Mr. and Mrs. Eric Anderson and Mr. and Mrs. Howard Bonner attended a birthday party for George Leikam at Prairie View Sunday

evening. About 50 of Mr. Leikam's relatives and Farm Bureau friends attended.

Mr. and Mrs. Leslie Bonner, Mrs. Lyman Bonner and daughter Nancy were supper guests of Mrs. R. L. Bergman in Milwaukee Sunday.

Mr. and Mrs. Eric Anderson entertained at supper Saturday evening in honor of their daughter, Rebecca's 14th birthday. Guests included Mrs. Carl Anderson, Dr. W. G. Bauman of Barrington, the Kenneth Denman family, the Howard Bonner family and the Milton Bauman family.

## Disrobing Miss Liberty

There are many in the United States who believe they could live a free life under socialism so long as they had the petticoats of the Statue of Liberty to hide under.

Freedom is the people's responsibility. Every time we seek new ways for the government to take over our responsibilities, we are stripping Miss Liberty of her glory.

## One Vote Is Important

Our forefathers fought for the right to vote—but do we care much for that right today? Apparently we don't!

It's an easy alibi to say that just one vote doesn't matter, so why take the trouble to visit the polls. The fact is that one vote can be overwhelmingly important. There are cases where a very small number of votes made history. As an example, in 1884 James Blaine lost New York State by much less than one vote per precinct. Had he carried New York he would have defeated Cleveland and become president.

Such exceptional cases to one side, every American freedom rides solidly on the right of franchise. The secret ballot is the greatest defense against tyranny ever devised in the tangled history of mankind. No one who fails to vote can call himself a good citizen. He is, instead, a shirker of the worst possible kind.

Modern schools do not forget the handicapped children. I'm glad Illinois helps educate them. Schools are for all the children of all the people.

Illinois Education Association.

## LAKE VILLA

Palm Sunday will be observed at the Community church next Sunday by receiving a large class into membership at the morning service. There will also be the sacrament of baptism of infants at this time, so contact Rev. Plummer about your baby.

At 7 p. m. on Palm Sunday evening an informal reception will be held for the new members and all are invited to be present. It is hoped to have Victor Neeley present for an organ recital at this time. This will be a nice time to get acquainted. Refreshments will be served.

The Official Board of the Community church held a meeting at the church on Monday evening.

Circle No. 1 of Woman's Society of Christian Service will meet Wednesday, April 6 at the Conservation school for its quarterly pot luck birthday dinner in celebration of the January, February and March birthdays of members and friends. Mrs. Blust and Mrs. Marie Hamlin will be the hostesses for the day, and you are very welcome to attend.

Mr. and Mrs. Jos. Sweeney who have been at their home in Florida for several months, have returned to their home at Buena Park.

Mrs. Virginia Smith who has been at the Albert Kapple home since Christmas has returned to her home at Buena Park.

The Lake Villa Grade school band directed by Mr. Thala Rush was awarded a first at North Chicago last Saturday.

Mrs. Caesar of Chicago spent a few days last week with her daughter, Mrs. Don Cremin and family.

Mrs. J. R. Williamson returned last week from Saginaw, Mich., where she spent two weeks or so with her daughter, Mrs. James Gurin and family.

Mrs. Albert Kapple has returned to her home after spending ten days or so in La Grange at the home of her son, Edwin. While his wife and her sister, Mrs. Lawrence Williamson, were in Florida.

Charles Williamson, son of Mrs. J. R. Williamson of Grand Avenue, is vacationing in Colorado for a few weeks.

Mrs. Inga Swanson of Glenwood, Ark., was guest of Mrs. Paul Avery,

at her home at Cedar Lake last Friday. Mrs. Swanson formerly lived here and has lived in Arkansas for the last few years. She was called to Chicago a month ago by the death of her brother, and later came to Waukegan to be with the family of her daughter, Mrs. Carl Björstedt who spent some time in the hospital for surgery. She also visited another daughter, Mrs. Ruth Mawman, at Lake Forest.

Mesdames Popp, Perry, Froesch, Blust and Marie Hamlin enjoyed last Friday evening with Mrs. Anna Nader at her home and played canasta.

**Cancer Crusade Slogan**  
"Strike Back at Cancer—Man's cruelest enemy—Give!"

This militant slogan will keynote the American Cancer Society's 1955 educational and fund-raising crusade. Mrs. John Perry, chairman of the ACS drive here, announced today.

"This watchword," she said, "emphasizes the spirit which we hope will inspire the whole community throughout April when the Society's annual drive for funds will be in progress. Colorful posters driving home the campaign message will be on display then, and the slogan will be widely used in newspapers, and on radio and TV programs."

Mrs. Perry pointed out that the slogan has a personal application for everyone in Lake Villa.

"The general practitioner and the dentist," she continued, "can strike a defensive blow at cancer by exercising constant vigilance to detect symptoms of it. The trained pathologist can deal another highly essential blow in the laboratory by confirming or rejecting preliminary cancer diagnosis. And the final knockout blow to cancer can be administered by the surgeon or radiation expert when the disease is detected in time."

"But the fight against cancer," the chairman emphasized, "is not limited to the medical profession." Working with the Society in the cancer control program is an army of approximately a million volunteers. Half of this number participates in year-around programs of public education and service to cancer patients conducted by local units such as the Lake County unit. The other half serves as workers in the annual national educational and fund-raising crusade which opens

here April 1.  
The Lake county goal for the 1955 Crusade is \$36,500. Lake Villa residents can strike a blow at America's No. 2 killer by giving generously when approached for contributions.  
"Our share of the Lake county quota is \$350.00, and, I am sure we all want to do our best to support

the year round work of the American Cancer Society.  
"Remember, in striking back at cancer you will be fighting a deadly foe that took a death toll estimated at 230,000 in the United States last year and will attack one out of every five Americans at some time in their lives," Mrs. Perry concluded.

Since 1924

## Political Primer

## CANDIDATE

He makes a lot of promises  
That irk the doubting Thomases.  
The guileless, on the other hand,  
Think everything he says is grand.

THE INS  
Whate'er we do  
Is good for you.

THE OUTS  
Pardon our full-throated shout:  
"Turn the dirty rascals out!"

CAMPAIGN  
A good excuse to talk about  
the virtues of Abe Lincoln,  
Or Mr. Thomas Jefferson,  
according to your thinkin'.

## How Many Chinese?

Do you know the population of China? In a recent national survey, the Gallup Poll found that 52 per cent of all U. S. adults either have no idea what the population of China is or believe it to be less than that of the United States. (150,000,000). Only one person in eight came reasonably close to the correct figure, answering between 400,000,000 and 500,000,000. The population of China, according to 1948 census in the World Almanac, is 463,793,418. Nobody knows, for sure.

## MIRACLES

In wonderment they held their breath  
When the Man from Nazareth  
Multiplied the fish and bread.  
"A holy miracle!" they said.

Yet daily they had watched the sea  
Increasing fishes endlessly;  
Daily watched the fruited vine  
Changing water into wine;  
Watched the cosmic capsule, seed,  
Conjure blade and stalk the breed,  
Loaf on loaf on countless loaf.  
Marvel?—Not the simplest oaf.

The wonder, then, the cause for awe  
Was not what but that they saw  
Whose purblind eyes could not  
discern  
Miracles at every turn!

## Card of Thanks

To the Ladies' Friday Night  
bowling league, the Grass Lake P.  
T. A., the Grass Lake Scout Home  
Group and to all my friends and  
neighbors, I wish to thank you for  
your kindness and consideration  
during my recent accident.

**HIGHWAY COMMISSIONER**

ANTIOCH TOWNSHIP

- QUALIFIED BUSINESS ADMINISTRATOR
- PRESENT TOWNSHIP CONSTABLE

Election Tuesday, April 5, 1955

ELECT

**JAMES E. RUNYARD**

Commissioner of Highways  
Antioch Township

TUESDAY, APRIL 5, 1955

Qualified by 11 years experience as an  
employee of your Highway Dept.

YOUR VOTE AND SUPPORT WILL BE  
APPRECIATED

The candidate having the necessary skill to operate and maintain all township equipment

## LIFELONG RESIDENT

The candidate without business interests, therefore  
I will be able to devote full time to the efficient  
administration of the office.

A LETTER TO THE TAXPAYERS AND VOTERS  
OF ANTIOCH TOWNSHIP:

On Tuesday, April 5, 1955, the voters of Antioch Township will elect  
a Commissioner of Highways for a four year term.

The main issues are as follows:

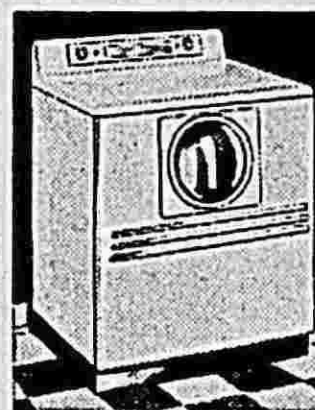

If you, as a taxpayer, feel that your highway department is of such  
minor importance that it can be most efficiently administered as a side line  
to some other business, then you should vote for one of my opponents.

If, however, you believe, as I do, that the efficient operation of your  
highway department, making for the most effective use of your tax money,  
requires the undivided attention of a full time, working commissioner of  
highways, then I "the candidate who states for the record, that I will be a  
full time commissioner of highways," feel sure that I will receive your vote  
on election day.

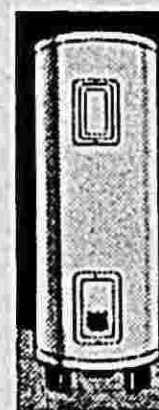

Yours sincerely,

*James E. Runyard*

ELECTRIC DRYER

ELECTRIC WATER HEATER

ELECTRIC RANGE

AIR CONDITIONER

Our New Installation Plan will  
save 615,000 Northern Illinois  
families important money—

Now it's easier to own the  
appliances you've always wanted

Are you one of our 615,000 Northern  
Illinois area customers who live in a 1, 2,  
or 3-family building with 120-volt (2-wire)  
service? If you are, this new installation  
plan of ours can save you some mighty  
important money on the installation of  
any one of the appliances shown above  
... and give you the modernized wiring  
you need today.

This installation includes bringing a  
modern 240-volt (3-wire) line to the main  
fuse box inside your home plus the interior  
wiring to wherever you want the appli-  
ance located.

Our New Installation Plan  
Available at All Dealers\*

Our new installation plan not only  
helps you, but your dealer as well. All  
your dealer has to do is call us once—we  
do the rest. We arrange a convenient in-  
stallation date with you... line up an  
electrical contractor... see that the  
job's done right and, if you prefer easy  
payments on your share of the wiring,  
we'll take care of that, too.

What this modernized wiring means  
to you now and in the future  
Besides saving you important money on  
installation, our new plan improves you:

entire home's electric service, too. Right  
away you'll notice a bigger, sharper TV  
picture, brighter lights, faster toast. In  
fact, every appliance you now own will  
work better. And with your new 240-volt  
capacity, your home's ready for other  
appliances you'll want in the future.

So, if you've been wanting an electric  
dryer, range, water heater, or air condi-  
tioner—buy it now. You'll be getting a  
bigger bargain than ever before!

What our New Appliance  
Installation Plan offers

to customers who live in a 1, 2, or  
3-family building with 120-volt  
(2-wire) service:

1—YOU CAN SAVE IMPORTANT  
MONEY with the installation of  
any of these appliances: electric  
dryer, range, water heater, air  
conditioner.

2—YOUR PRESENT APPLIANCES  
WORK BETTER once you have  
new, heavy-duty 240-volt wiring  
in your home.

3—YOU'RE ALL SET FOR THE  
FUTURE—you can add wiring for  
the electrical appliances you'll  
want in the years ahead quickly  
and cheaply.

For full details, visit any appliance dealer or our stores now

**PUBLIC SERVICE COMPANY**

## We Never Had Time

I never figured until he was dead how much we had missed out of life, she said.

We were so busy—the children, the farm;

So many of us to keep fed and warm.

Planning ahead and working together,

We talked of the crops, the stock, the weather;

And there never was time for foolishness.

Leaving it out is a pity, I guess! Sometimes I would look at him sitting there

All hunched up and tired in the rocking chair

And long to lay a hand on his shoulder

Or smooth his hair; but, when you get older,

Such things seem silly. It's sort of as though

Loving was something you ought not to show.

So I never did it. He never knew the time and again that I hankered to.

It isn't just death makes a body sad—

It's not to have done what you wish you had.

## Major Cause of Oil Burner Service Calls Now Eliminated

Clogged filter screens have long been recognized as a major cause of oil burner shut-downs. Shell scientists spent 15 years looking for an anti-clogging ingredient. The answer: FOA-5X!

FOA-5X cleans as it heats. It keeps the filter screen in your oil burner clean during the heating season, eliminates

a major cause of service calls, gives more efficient heat, and saves you money on fuel.

For carefree heat, switch to Shell Furnace Oil with FOA-

5X. It costs no more than ordinary heating oils. Call us today. We'll make all the arrangements.

**W. V. Lahti Oil Co.**

### Boy Scout Council Plans Annual Circus At Evanston Apr. 15-16

An estimated 15,000 tickets were recently placed on sale by the North Shore Area Council for the annual Boy Scout Circus to be held April 15-16, at McGaw Memorial Hall, Northwestern University, Evanston, and may be purchased from members of Cub Packs, Scout Troops and Explorer Units throughout the Council area.

The Circus will feature over 3,000 Cubs, Scouts and Explorers in twelve outstanding acts, all under the general chairmanship of Carl W. Vorreiter of Wilmette. The show has been in rehearsal for weeks and from all indications will be one of the outstanding activities ever presented by the North Shore Area Council.

One of the acts features the youngest members of the Scouting family in an event called "Cub-parade." More than a dozen Cub Packs will parade around the perimeter of the arena displaying historical floats, a Goop parade, a train and Indian act, plus several fixed events such as a Robin Hood stunt, cannibals, knights, elephants and Indians. This act alone is well worth seeing.

Boy Scouts will be on deck in a variety of interesting Acts, from a special bicycle event through Scouting skills and special sets on outdoor life. Two Explorer Posts and an Explorer Ship have special acts scheduled that should provide plenty of entertainment for everyone.

### Wrestling Headliners To Weigh 550 Pounds With Both on Scales

Antioch fans will get to see the largest wrestler in the United States at the American Legion exhibition April 15 at the Antioch High school. He is Yukon Eric, who bursts the scales at 300 pounds. Eric will enter the ring with Ivan Rasputin, the bearded veteran whose weight will be 250 pounds.

So chaos will probably reign, and the area will be bouncing again with enthusiastic fans.

Yukon created a national turmoil recently when he slugged U. S. champ Vern Gagne with a chair in Chicago. He received more than 2,000 vehement letters from TV viewers for that gesture. He wrestles barefooted, and his 67-inch expanded chest is probably the largest in all sports.

Three bouts are slated. In others, Al Szasz and Billy Goetz will take on Fat Benito Gardini and Old Ironsides Malkov in a tag brawl, while Carl Engstrom, former dancing star, will come in for a tiff with George Drake of California.

### Warns That Application For Driver's License Must Be Made by Oath

Springfield, Ill.,—Secretary of State Charles F. Carpenter today again stressed to his drivers license department the fact that applications for driving permits at the drivers' license stations must be made under oath, particularly when an

applicant is applying for a duplicate license and when young people are declaring their age.

Secretary Carpenter took the step to prevent those persons who have had their driving permits revoked or suspended from obtaining a new permit and to prevent minors from obtaining alcoholic beverages by lying about their ages.

The Illinois Drivers License Law provides that anyone who knowingly swears or affirms falsely to any matter in applying for a permit is guilty of perjury. The law also provides that Secretary Carpenter is authorized to suspend or revoke the permit of anyone who makes a false statement or knowingly conceals a material fact in making an application for a permit.

All applicants processed through the Secretary of State's drivers license stations are under oath or affirmation—with no exceptions—in applying for driving permits, including duplicates and renewals.

In the case of those persons applying for duplicates, in the past some have had their driving permits posted as bail and attempted to obtain duplicates to avoid court appearances Carpenter said.

## Richard "Dick" Seyfarth

for

Justice of the Peace

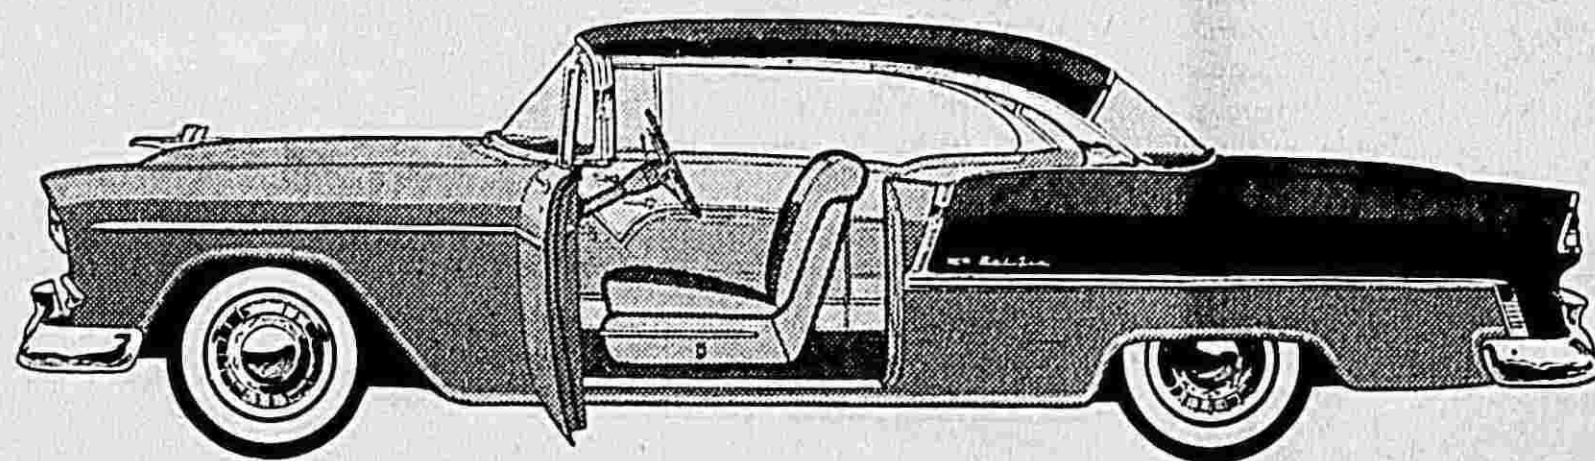

ELECTION TUESDAY, APRIL 5, 1955

Qualified and Experienced

Put  
yourself  
in  
this  
seat

motoramic  
Chevrolet

The Bel Air Sport Coupe. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

A demonstration drive  
can help you

WIN

one of 102 new  
CHEVROLETS

plus a

\$1,000

U. S. Savings Bond

in our big

MIRACLE MILE  
CONTEST

... and you'll have the  
driving time of your life!

It's well worth your while to come in and drive the Motoramic Chevrolet just for the fun of it. And when you do, you'll make discoveries that can help you be a winner in our Miracle Mile Contest. For example, you'll notice how Chevrolet's new Outrigger rear springs bring you wonderful new stability on curves.

You'll see how new Glide-Ride front suspension rolls the bumps smooth. And you'll tingle to the peppery response you get when your toe nudges the accelerator. You'll find this true whether you drive the new 162-h.p. "Turbo-Fire V8" (with the shortest stroke in its field for longer life!), or one of the two new "Blue-Flame" 6's (highest powered sixes in the low-price field!).

Come in and have the driving time of your life at the wheel of a new Chevrolet! Enter our big Miracle Mile Contest, without cost or obligation, and you may win one of 102 new Chevrolets given away. It's easy—it's fun!

STEALING THE THUNDER FROM THE

HIGH-PRICED CARS! 

**COMPLETE and OFFICIAL figures show that again in 1954 -- for the 19th straight year--  
MORE PEOPLE BOUGHT CHEVROLETS THAN ANY OTHER CAR!**
